Date and time of bid deadline: **June 29, 2018 12pm.**

Contractor Requirements:

Current mailing address and phone number:

Copy of: Certificate of Workers Compensation Insurance or an approved application for Predetermination of Independent Contractor Status:

W-9 for taxpayer ID#:

Certificate of Liability Insurance:

Project name: **Fire Station#2 NORTH side only roof and adjoining shed roof.**

Project location: **Moose Neck Road, South Addison.**

Project information: **Replace asphalt shingles on North side only of Station #2 roof and adjoining shed.**

Project completion date: **October 30, 2018 or before.**

Project requirements and specifications: **Complete tear off of NORTH side only asphalt shingles on Fire Station #2 roof and adjoining shed. Replace any rotten decking and completely cover with "Grace ice and water shield". Re shingle with Owens-Corning asphalt shingles, match existing color as close as possible. Install 8" aluminum drip edge and replace cap shingles with matching "Owens-Corning" cap shingles. Replace fascia boards as needed and paint to match existing color. Shingles should be installed with 1 1/4" roofing nails, 5 per shingle.**

Failure to meet completion date may result in bid adjustment.

All invoices MUST separate labor from material costs.

Onsite work hours are 7am. to 5pm.

Please note that the Town of Addison work sites are non-smoking and alcohol free environments.

All demo items and leftover materials must be removed from respective work sites upon completion of the work project by the contractor.

Contract bidders must visit the work site prior to submitting their bid proposal.

Bids will be awarded on the basis of quality of work reputation or referral, local economic impact (if any), and total bid amount.

Sealed bids must be submitted at the Addison Town Hall in person or by mail before or on the bid deadline requested. Late bids will NOT be accepted.

The Town of Addison reserves the right to accept or reject any or all bids, to wave any or all technical or legal deficiencies and to accept any bid that is in the best interest of the Town of Addison.

All sealed bids will be opened and awarded by a unanimous vote of the Town of Addison Selectmen at their first meeting following the bid deadline.

If you have any questions regarding the bid project please contact Don Williams, Chairman of the Buildings Maintenance committee by: Phone 207 483 1263, e-mail willi1td@yahoo.com or mail 278 Cape Split Road, Addison, Maine, 04606.
